

MAJLIS BANDARAYA ISKANDAR PUTERI OCCUPATIONAL HEALTH AND SAFETY POLICY

The Malaysian Occupational Safety and Health Act 1994 (Akta 514) requires MBIP to provide and maintain a safe, healthy and clean working environment.

To realize this goals, the management of MBIP always strives to cultivate awareness of importance of safety and health to MBIP employee and the public who deal with it as well as the environment.

To fullfil this commitment, MBIP and employee will work together to:

M Ensure that MBIP employees are provided with adequate safety and health information instructions and training on how to work safety without health risks to themselves and others .

B Share knowledge about potential hazards in the workplace and how to overcome them to create a better work environment for all.

I MBIP image relies on staff discipline on compliance with the Malaysian Occupational Safety and Health Act 1994, rules and guidelines.

P Proactive in using the basic facilities and personal protective equipment provided so that employees can carry out their daily tasks efficiently and safely.

This policy will be a guide to all to strengthen and practice a safe work culture and will be constantly updated in line with the technology requirements, work procedures as well as legal requirements.
